Corinth, a diverse, cosmopolitan city sitting at a strategic center of commerce for both Greece and the wider Roman Empire, was known for its decadence and wealth. In his commentary on 1 and 2 Corinthians, Chuck Swindoll explores how Paul took the Corinthian church to task for taking on the character of the city instead of the character of Christ. As Chuck shows, the message of Paul to the Corinthians is greatly needed by the Church today. The 15-volume Swindoll ’ s Living Insights New Testament Commentary series draws on Gold Medallion Award–winner Chuck Swindoll ’ s 50 years of experience studying and preaching God ’ s Word. His deep insight, signature easygoing style, and humor bring a warmth and practical accessibility not often found in commentaries. Each volume combines verse-by-verse commentary, charts, maps, photos, key terms, and background articles with practical application. The newly updated volumes now include parallel presentations of the NLT and NASB before each section. This series is a must-have for pastors, teachers, and anyone else who is seeking a deeply practical resource for exploring God ’ s Word.

The Corinthian church required Paul’s repeated care. In 2 Corinthians, he continues his attempt to correct errors of unchristian practice, worship, and doctrine. Concerned with false apostles who were leading the church astray, Paul defended his own authority as God’s apostle and sought reconciliation within the church. Respected preacher and Bible teacher John MacArthur presents yet another comprehensive and compelling commentary in his New Testament series.

From the second century to the present, 2 Corinthians offers its riches grudgingly,if at all; and even then it demands only the most careful and attentive inquiries. The Abingdon New Testament Commentaries series provides compact, critical commentaries on the writings of the New Testament. These commentaries are written with special attention to the needs and interests of theological students, but they will also be useful for students in upper-level college or university settings, as well as for pastors and other religious leaders. In addition to providing basic information about the New Testament texts and insights into their meanings, these commentaries are intended to exemplify the tasks and procedures of careful, critical biblical exegesis.
“2 Corinthians is a treasure hidden in a thorny thicket. It is so rich, so full of theological insight, so packed with hope and possibility, so aware of dark human tendencies and human vulnerability, and so radical in its reevaluation of what is true and real.” From the Introduction

Some days we just forget. We forget the house keys. We forget the directions. We forget to return a friend ’ s phone call. And sometimes, we forget that we belong to Jesus. It ’ s not intentional, but it happens. The church in Corinth had forgotten. They were divisive. Insensitive. Argumentative. Rebellious. They listened to false teachers who questioned the message of Christ and who accused Paul of being unreliable and a false apostle. Paul knew the Corinthian church needed a reminder, so he wrote a heartfelt letter defending his character, ministry, and message. The letter reminds the Corinthians to turn from their worldly ways and to think and live in ways that honor God. Likewise, Paul ’ s letter encourages us to look at our own lives so we won ’ t forget what really matters. The Life Lessons with Max Lucado series brings the Bible to life in twelve lessons filled with intriguing questions, inspirational stories, and poignant reflections to take you deeper into God ’ s Word. Each lesson includes an opening reflection, background information, an excerpt of the text (from the New International and New King James versions), exploration questions, inspirational thoughts from Max, and a closing takeaway for further reflection. The Life Lessons series is ideal for use in both a small-group setting or for individual study. This phrase-by-phrase commentary and exposition of the New Testament books of 2 Corinthians and Galatians is in use as a college textbook, yet is suitable for lay church members. 2 Corinthians and Galatians were written by Paul during the same time period of his life, to two different churches wrestling with similar, thorny issues. The threat to New Testament Christianity posed by the Judaizers is rightly framed by information learned from 2 Corinthians and Galatians. Time and again in 2 Corinthians, Paul emphasizes his apostolic message and apostolic authority, and insists that the new covenant gospel message which reflects the truths Jesus taught during His earthly ministry is what is now to be preached. The new covenant Scriptures are to be treated as our rule of faith and practice. In Galatians, Paul examines what is involved in the faith that God looks for as He would justify men who have sinned. Is it faith alone (i.e., knowledge, assent, and trust), or is it a faith that includes obedience to what God has said? In his words to Peter - “a man is not justified by works of the Law but through faith in Christ Jesus” (Galatians 2:16) - Paul persuasively proves that the faith that saves is habitually doing what God says, not walking by man-made religious rules. The Judaizers who championed rules like the Pharisees taught were distorting the gospel message as preached by Jesus’ apostles (Galatians 1:7). This commentary is conservative evangelical Christian in outlook, yet skillfully examines the Scriptures from multiple theological viewpoints. Introductory Studies cover authorship and attestation, place and date of writing, original target audience to whom the letters were addressed, and the original purpose for writing. Two extended Special Studies address issues crucial to our understanding of how God deals with people He would save: Readers are introduced to the Dead Sea Scroll referred to as 4QMMT and the subject “works of the Law.” The study demonstrates how 4QMMT helps us rightly understand Paul’s contrast of faith v. works of the Law. Justification by Faith is given extended treatment, and key theological questions are addressed. Biblically, what is “justification” and what is “faith”? Is sola fides (faith alone) the condition upon which God justifies sinful men? How and how often is justification applied to men by God? And how has our understanding of the New Testament been impacted by the New Perspective on Paul that has dominated theological discussions for the past 30+ years? Since this commentary presumes the God-inspired nature of all Biblical writing, the author seeks to harmonize the teachings of 2 Corinthians and Galatians with other relevant Scriptures, and also helpfully examines the original language in which the epistles were written. An annotated bibliography of other commentaries on 2 Corinthians and Galatians encourages readers to extend their own studies. This commentary continues the author’s series on the books of the New Testament, and is written from the unique standpoint of the Restoration Movement, a position which allows him to approach Scripture with no special theological doctrine or dogma to defend and explicate. This approach provides an unhindered freedom to listen to what the Holy Spirit would tell us within the pages of sacred Scripture. By deliberately employing the time-honored grammatico-historical method of interpretation, the Word of God is allowed to impress upon our minds the intent the Divine Author had in mind. The author is Professor Emeritus at Central Christian College of the Bible (Moberly, MO).

The books in the series do not cover the whole text, but focus on key sections which communicate the main themes of each book. Although the tone is light, the text is full of useful application and backed by substantial scholarship. Its clear, thought-provoking insights will feed both mind and soul.

Confidence in a ministry hinges on respect for the minister. Few people understood this truth better than the apostle Paul. In the latter half of his second letter to the Corinthian Christians, he spells out the crucial importance of ministering in a way that fosters trust. And by using his own life as an example, he gives us more than an unforgettable autobiography - he gives us a model worth emulating.
