It continues through the World War II years in Latvia, Germany and its post-war D. P. camps. In Chapter 2, the author recollects his educational experiences in America, the usual struggles of his immigrant parents to make a new life in their adopted country, and their passage into the next world in 1975 and

Well, he told me to find a lady named Hellen in another country (Nicaragua, to be exact). Let's just say my life changed that instant. First of all, I had to tell my husband I am changing the way I live and placed my most prized assets on
