Events Management 3rd edition | 9781473948280 ...

Due to the level of complexity for all event management systems, the blueprint should be considered to be a living document. It should never be set in stone, and there should always be room for rework. This does not mean that you should forego all tested processes, or change everything due to a new integration. It just means that if global requirements change, so can your event management methodology.
