Bukh DV24 RME inboard marine diesel engine lifeboat used ...
In addition, unlike many of its analogues, the Bukh marine engine is a real diesel engine, originally intended for ships, and not a pickled automobile or industrial engine. Units can be used as main engines for small vessels or as a part of pumps, as a diesel generator drive, but they became world famous as engines for lifeboats.

Seeing is Understanding. The first VISUAL guide to marine diesel systems on recreational boats. Step-by-step instructions in clear, simple drawings explain how to maintain, winterize and recommission all parts of the system - fuel deck fill - engine - batteries - transmission - stern gland - propeller. Book one of a new series. Canadian author is a sailor and marine mechanic cruising aboard his 36-foot steel-hulled Chevrier sloop. Illustrations: 300+ drawings Pages: 222 pages Published: 2017 Format: softcover Category: Inboards, Gas & Diesel

Vols. for 1921-22, 1924- include an annual review number with title: Fishing gazette annual review and classified directory of marine and shore plant equipment (1921-60, Fishing gazette annual review number (varies slightly)).
