of serial killers with her thoughtful and analytical approach.

Murder on the Mind by Amanda Howard - Goodreads

“ With just the right balance between psychic insight and detective work, between detection and action, Murder on the Mind is a fast-reading page-turner. Jeff Resnick is a compelling character, with a real personal life and family issues to sort through – as well as having to solve a crime in which he holds a personal stake. ”

Where does Murder on the Mind rank among all the audiobooks you ' ve listened to so far? As this is the only suspense audio I've read so far, I can't accurately compare it to any I've listened to in another genre as far as a story goes. Comparing quality, I'd say it was very professional.
