The Drinker, by Hans Fallada, is the story of suicide. Don't be fooled by the fact that no one dies: this is a story of death. Death of a marriage, death of self-respect, death of personal freedom. Erwin Sommer gives a first-person account of his descent as seen from the enforced sobriety of his incarceration at the asylum.

Drinker, The: Amazon.co.uk: Hans Fallada: 9781933633657: Books

Fallada experienced the horrors of Nazi Germany; he was incarcerated in a Nazi asylum when he wrote The Drinker, which is "a deeply critical autobiographical account of life under the Nazis." Following the protagonist's descent into the madness of alcoholism my sympathy was at times with him, at times with his wife - but both characters are rather unpleasant.

actor Emil Jannings, and traces the fortunes of the Berlin-based Hackendahl family from shortly before the Great War.

Hans Fallada, the Anti-Nazi Writer Who Reluctantly Served ...

The Drinker (German: Der Trinker) is a novel by German writer Hans Fallada, first published posthumously in 1950. Fallada began the novel in 1944, when he was imprisoned in a criminal asylum for the attempted murder of his wife. It is autobiographical, in diary form, and tells the story of a man in the grip of alcohol.

The Drinker (novel) - Wikipedia

Hans Fallada was a German writer of the first half of the 20th century. Some of his better known novels include Little Man, What Now? and Every Man Dies Alone. His works belong predominantly to the New Objectivity literary style, a style associated with an emotionless reportage approach, with precision of detail, and a veneration for 'the fact'. Fallada's pseudonym derives from a combination of characters found in the Grimm's Fairy Tales: The titular protagonist of Hans in Luck, and Falada the m

Hans Fallada - Wikipedia

Drinker Rating 91 Pinot grigio is a bit of an enigma to me. It's been a fashionable grape in the UK for the last 10 years and it's popularity has led to over-production and in a lot of cases a decline in quality. If you're after a step up from pinot grigio try wines labelled as pinot gris - it's the same grape of course but these wines tend to ...

In 1943 Fallada served in the Reichsarbeitsdienst (Reich Labour Service) in France. The following year his wife divorced him, and, after he made an attempt on her life, Fallada was sent to an asylum, where he wrote Der Trinker (The Drinker), the story of a self-destructive alcoholic; it was published posthumously in 1950. On February 1, 1945, he married his second wife, Ursula Losch, and for a short time he was the mayor of Feldberg.

Hans Fallada (real name Rudolf Ditzen) was an alcoholic, a thief, a morphine addict and, prone to depression, attempted suicide twice. He lived and worked in the Germany of the 1930's and, although...

BBC Radio 4 - Great Lives, Series 25, Hans Fallada

Hans Fallada, born Rudolf Wilhelm Adolf Ditzen in Greifswald, was one of the most famous German writers of the 20th century. His novel, Little Man, What Now? is generally considered his most famous work and is a classic of German literature.

Hans Fallada (Author of Alone in Berlin)

Hans Fallada, real name Ditzen, borrowed his pen name from a horse from grims a fairy tail 'the goose girl'. Falada the horse told the truth even after

his head had been cut off. I came across my copy of *The Drinker* in a second hand bookshop in Portland, seven years back. It was a great find.

Written in an encrypted notebook while incarcerated in a Nazi insane asylum and discovered after his death, *The Drinker* may be Hans Fallada's most breathtaking piece of craftsmanship. It is an intense yet absorbing study of the descent into drunkenness by an intelligent man who fears he's lost it all. *** This is a Hybrid Book. The Melville House Illuminations are free with the purchase of any title in the HybridBook series, no matter the format. From the Trade Paperback edition.

This sweeping saga of love in dangerous times is deemed by many to be Hans Fallada's greatest work. Set amidst the 1923 collapse of the German economy, it is a vivid portrayal of the food and money shortages that led to rioting in the cities and unemployed soldiers marauding through the countryside—a depiction of unrest that made Fallada's publisher so fearful of Nazi retribution that upon the book's 1937 publication he told him, "If this book destroys us, then at least we'll be destroyed for something that's worth it." It appears here in its first unabridged English translation, based on the 1938 translation by Philip Owens that has been revised and restored by Thorsten Carstensen and Nicholas Jacobs. Carstensen also provides an afterword discussing why the original version of the book was so heavily edited . . . and why Fallada's publisher thought a love story might get them killed. *** This is a HybridBook. Melville House HybridBooks combine print and digital media into an enhanced reading experience by including with each title additional curated material called Illuminations—maps, photographs, illustrations, and further writing about the author and the book. The Melville House Illuminations are free with the purchase of any title in the HybridBook series, no matter the format.

This is the book that led to Hans Fallada's downfall with the Nazis. The story of a young couple struggling to survive the German economic collapse was a worldwide sensation and was made into an acclaimed Hollywood movie produced by Jews, leading Hitler to ban Fallada's work from being translated. Nonetheless, it remains, as *The Times Literary Supplement* notes, "the novel of a time in which public and private merged even for those who wanted to stay at home and mind their own business." *** This is a Hybrid Book. Melville House HybridBooks combine print and digital media into an enhanced reading experience by including with each title additional curated material called Illuminations – maps, photographs, illustrations, and further writing about the author and the book. Purchasers of the digital version receive the appropriate Illuminations automatically as part of the ebook edition. From the Trade Paperback edition.

This never-before-translated masterpiece—by a heroic best-selling writer who saw his life crumble when he wouldn't join the Nazi Party—is based on a true story. It presents a richly detailed portrait of life in Berlin under the Nazis and tells the sweeping saga of one working-class couple who decides to take a stand when their only son is killed at the front. With nothing but their grief and each other against the awesome power of the Reich, they launch a simple, clandestine resistance campaign that soon has an enraged Gestapo on their trail, and a world of terrified neighbors and cynical snitches ready to turn them in. In the end, it's more than an edge-of-your-seat thriller, more than a moving romance, even more than literature of the highest order—it's a deeply stirring story of two people standing up for what's right, and for each other.

A tie-in edition of Fallada's best-selling WW2 novel, to accompany the major new film starring Emma Thompson and Brendan Gleeson. Berlin, 1940, and the city is filled with fear. When unassuming couple Otto and Anna Quangel receive the news that their beloved son has been killed fighting in France, they are shocked out of their quiet existence and begin a silent campaign of defiance. A deadly game of cat and mouse develops between the Quangels and the ambitious Gestapo inspector Escherich in Fallada's desperately tense and heartbreaking exploration of resistance in impossible circumstances.

"I lived the same life as everyone else, the life of ordinary people, the masses." Sitting in a prison cell in the autumn of 1944, the German author Hans Fallada sums up his life under the National Socialist dictatorship, the time of "inward emigration". Under conditions of close confinement, in constant fear of discovery, he writes himself free from the nightmare of the Nazi years. He records his thoughts about spying and denunciation, about the threat to his livelihood and his literary work and about the fate of many friends and contemporaries. The confessional mode did not come naturally to Fallada, but in the mental and emotional distress of 1944, self-reflection became a survival strategy. Fallada's frank and sometimes provocative memoirs were thought for many years to have been lost. They are published here for the first time.

For Willi Kufult, prison life means staying out of trouble, keeping his cell clean, snagging a precious piece of tobacco, and dreaming of the day of his

release. Then he gets out. As Willi tries to make a new life for himself in Hamburg, finding a job and even love, he still cannot escape his past. Gradually he becomes sucked into a world of drink, desperation, deceit, and, with one terrible act, he is ensnared in a noose of his own making . . . Hans Fallada, whose famous works include *Alone in Berlin* and *The Drinker*, brilliantly crafts this dark and moving novel, originally written in 1934, as he describes a seedy criminal underworld of shabby lives and violent deeds, showing how our actions always catch up with us. His work is unparalleled, and *Once a Jailbird* is a fantastic title to add to Fallada's recently translated works. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

It is the summer of 1929, and in a small German town, a storm is brewing. Tredup, a shabby reporter working for the Pomeranian Chronicle, leads a precarious existence . . . until he takes some photographs that offer him a chance to make a fortune. While Tredup contemplates his next move, the town is buzzing. Farmers are plotting their revenge against greedy officials, a mysterious traveling salesman is stirring up trouble, and all the while, the Nazi party grows stronger as the Communists fight them in the street. As the town slowly slips into chaos, Mayor "Fatty" Gareis does everything in his power to seek the easy life. As tensions mount between workers and bosses, town and country, and Left and Right, alliances are broken, bribes are taken, and plots are hatched, until the tension spills over into violence. From the brilliant mind of one of Germany's most celebrated writers, *A Small Circus* is a genuine and frightening tale of small-town Germany during a time of unrest. It belongs in the collection of every reader who has enjoyed his break-out classics. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Hans Fallada was a drug addict, womanizer, alcoholic, jailbird and thief. Yet he was also one of the most extraordinary storytellers of the twentieth century, whose novels, including *Alone in Berlin*, portrayed ordinary people in terrible times with a powerful humanity. This acclaimed biography, newly revised and completely updated, tells the remarkable story of Hans Fallada, whose real name was Rudolf Ditzen. Jenny Williams chronicles his turbulent life as a writer, husband and father, shadowed by mental torment and long periods in psychiatric care. She shows how Ditzen's decision to remain in Nazi Germany in 1939 led to his self-destruction, but also made him a unique witness to his country's turmoil. *More Lives Than One* unpicks the contradictory, flawed and fascinating life of a writer who saw the worst of humanity, yet maintained his belief in the decency of the 'little man'.

This is the book that led to Hans Fallada's downfall with the Nazis. The story of a young couple struggling to survive the German economic collapse was a worldwide sensation and was made into an acclaimed Hollywood movie produced by Jews, leading Hitler to ban Fallada's work from being translated. Nonetheless, it remains, as *The Times Literary Supplement* notes, "the novel of a time in which public and private merged even for those who wanted to stay at home and mind their own business." *** This is a Hybrid Book.
