The American Civil War was fought between 1861 and 1865 when a total of eleven states seceded to form the Confederate States of America. They were spurred to leave by the election of President Abraham Lincoln in November 1860 and by the outbreak of hostilities in April 1861. For the Northern states, often referred to as 'the Union', this was a war fought primarily to restore unity to the nation and to secure the new Western Territories from slave-owners.

Origins of the American Civil War - British Library

Historians debating the origins of the American Civil War focus on the reasons why seven Southern states (followed by four more after the onset of the war) declared their secession from the United States (), why they united to form the Confederate States of America (simply known as the "Confederacy"), and why the North refused to let them go. While virtually all historians in the 21st century ...
